

## **Frequently Asked Questions:**

### **1) Why do we have to register again?**

It is important for us to have your most recent information to make sure we can reach the parents in case of an emergency or simply to touch base with the parents about their child's progress in class.

### **2) Can we cover more lines for Noorani Qaida for the 4-6 year old kids?**

Our focus is to create a strong foundation for our kids in Noorani Qaida. We feel it is in the best interest of the children to impart quality not quantity. In the past year we have had our first batch of Level One students move up to Level Two. The difference of progress between students that join from Level One and those who join directly into Level Two is quite apparent. We believe that this has to do with our focus on quality over quantity
